Industrial Visit Report

Name and address of industry- KVK, BARAMATI

Date of Visit- 4th Nov 2022

Staff Coordinator- Prof. K.S. ATKARI.

Objectives of Visit-The visit was carried out under subject of Hydrology and Water Resource Engineering to understand

1. To study the equipment's required for rain forecasting.
2. Understand the types of rain gauges and ideal conditions for rain gauge station.
3. To understand the actual working of various types of rain gauges.
4. To understand the working procedure and recording procedure in organization.

Outcome of Visit-Students can identify various types of rain forecasting equipment. Students can now differentiate between various types of rain gauges with their working and recording procedure.

Subject: About permission for the technical visit to Meteorological Station.

Dear Sir,

Sharadchandra Pawar College of Engineering and Technology, established in 2012, is one of the self-financed Engineering colleges approved by AICTE New Delhi, Government of Maharashtra and DTE Mumbai. The institute is affiliated to Savitribai Phule Pune University (SPPU). The institute offers Engineering Courses in Mechanical Engineering, Civil Engineering, Computer Engineering, and Electrical Engineering leading to BE degree as per SPPU University Curriculum.

As a part of the curriculum for the subject **Hydrology and Water Resource Engineering**, the students are required to undertake industrial visits to a few industries of repute. In the above background, we would like to send a batch of about **22** students of T.E. Civil accompanied by 2 staff members to visit your esteemed industry.

I request you, too kindly accord the necessary permission for the above visit and arrange it for guiding the students. We assure you that our students will observe the rules and regulations that are prescribed by your company for the visitors and will in no way disturb the functioning of the company during their visit.

We shall be grateful for a favorable response.

Thanking You,

Permit to visit
on 4/11/22

Subject: About permission for the technical visit to Substation, Waghalwadi.

Dear Sir,

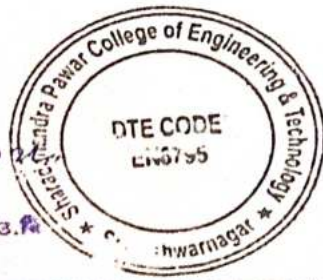

Sharadchandra Pawar College of Engineering and Technology, established in 2012, is one of the self-financed Engineering colleges approved by AICTE New Delhi, Government of Maharashtra and DTE Mumbai. The institute is affiliated to Savitribai Phule Pune University (SPPU). The institute offers Engineering Courses in Mechanical Engineering, Civil Engineering, Computer Engineering, and Electrical Engineering leading to BE degree as per SPPU University Curriculum.

As a part of the curriculum for the subject **Electrical Installation Design & Condition based Maintenance and Power System Operation & Control** the students are required to undertake industrial visits to a few industries of repute. In the above background, we would like to send a batch of about 37 students of T.E. Electrical & 16 Students B.E. Electrical accompanied by 2 staff members to visit your esteemed industry.

I request you, too kindly accord the necessary permission for the above visit and arrange it for guiding the students. We assure you that our students will observe the rules and regulations that are prescribed by your company for the visitors and will in no way disturb the functioning of the company during their visit.

We shall be grateful for a favorable response.

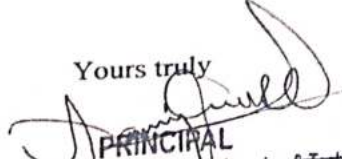

Thanking You,

Electrical Company, Baramati

Dear Sir,

Sharadchandra Pawar College of Engineering and Technology, established in 2012, is one of the self-financed Engineering colleges approved by AICTE New Delhi, Government of Maharashtra and DTE Mumbai. The institute is affiliated to Savitribai Phule Pune University (SPPU). The institute offers Engineering Courses in Mechanical Engineering, Civil Engineering, Computer Engineering, and Electrical Engineering leading to BE degree as per SPPU University Curriculum.

As a part of the curriculum for the subject **Electrical Machine & Advanced Control System** the students are required to undertake industrial visits to a few industries of repute. In the above background, we would like to send a batch of about 40 students of T.E. Electrical & B.E Electrical accompanied by 3 staff members to visit your esteemed industry.

I request you, too kindly accord the necessary permission for the above visit and arrange it for guiding the students. We assure you that our students will observe the rules and regulations that are prescribed by your company for the visitors and will in no way disturb the functioning of the company during their visit.

We shall be grateful for a favorable response.

Thanking You,
