Guest Lecture Report

Name and organization of Guest speaker- Mr. Dhananjay Joshi

Date of Guest Lecture- 16-09-2022

Staff Coordinator- Prof. C.V. Naik

Objectives- This lecture will be helpful to students in understanding:

1. Emerging trends in hydraulic engineering field.
2. Various software in area of Hydraulic Design.
3. Job Opportunities in Hydraulic design.

Outcome of Guest lecture Students can understand basic concept of hydraulic design.
Students can understand use and applications of software in this domain.

Information of Guest lecture in brief-

Value addition through Guest lecture - Besides the objectives, following additional technical information understood by students.

- Consultancy in area of hydraulic design.
- Government work and applying for tenders in water resource department

Dear Sir,

On the behalf of Shri. Someshwar Shikshan Prasarak Mandal's Sharadchandra Pawar College of Engineering & Technology, Someshwarnagar, Tq.Baramati, Dist. Pune, we are very much thankful to you for delivering guest lecture on **Opportunities in Hydraulic design** for our students on **16-09-2022**. We are confident that the information shared by you during these sessions will surely help our students for their future career and improving excellence in academics. We would like to continue such interaction with you in future also.

With Regards.

Data Science & Machine Learning

Starts from 24th May 2023

First Course Invented by
SPCOET Intra College UG Level

Course Overview

One of the most in-demand professions in the twenty-first century is data science. Most businesses now use data science to construct an action plan and make well-informed judgement about the future. You will learn about data collection, storage, pre-processing, analysis, model creation, and deployment using the most recent data science techniques in this course, which combines self-paced learning modules with live guidance sessions.

● Fundamentals of Python (15 Days)

- Core Concepts
- Functions in Python
- Coding in Exercises in Basic Concepts
- List & Dictionaries
- Coding Exercises with Strings & Lists
- Creating Programs & Applications

Mrs.Ghadage S.S.

Advanced Python (10 Days)

- How is Everything Object in Python?
- Comprehension
- Closure and Decorator
- Generator and Iterators Protocol
- Context Managers
- Extended Keyword Arguments (*args, **kwargs)
- @staticmethod and @classmethod
- Inheritance and Encapsulation
- Operator Overloading
- Python Packages and Program layout

Dr. Deokar S.A.
Mrs. Pawar S.D.

Basic Statistics (5 Days)

- Introduction ·Descriptive Statistics ·Basic Concepts of Probability
- Discrete Random Variables ·Continuous Random Variables
- Sampling Distributions ·Estimation ·Testing Hypotheses ·Two-Sample Problems
- Correlation and Regression ·Chi-Square Tests and F-Tests

Dr. Deokar S.A.
Dr.Limbore

Machine Learning (15 Days)

- Introduction ·Linear Regression ·Probability for ML & Linear regression
- Linear Classification ·Logistic Regression ·Optimization for ML
- Nonparametric Methods ·Decision Trees ·kNN & Decision Trees
- Multi-class Classification ·Probabilistic Classifiers
- Naive Bayes and Gaussian Bayes Classifier
- Probabilistic Classifiers II ·Neural Networks I ·Neural Networks II

Dr. Deokar S.A. /
Mrs.Pawar S.D.

SQL (10 Days)

- SQL is Relational Database ·Keys in SQL ·Views in SQL ·SQL Joins
- Normalization of Database ·Transactions in SQL ·Subqueries in SQL
- Cloning Tables in SQL ·SQL Sequences ·Temporary Tables in SQL

Capgemini Technology Services India Limited is a global leader in consulting, digital transformation, technology and engineering services. The Group is at the forefront of innovation to address the entire breadth of clients' opportunities in the evolving world of cloud, digital and platforms. As the contract between business and society changes, we're doing more to take on the biggest challenges facing society. By working with our clients, our people, and our partners, we're raising the bar in three key areas:

- Environmental sustainability, by driving sustainable thinking into our operations and the work we do with clients
- Digital inclusion, by using the passions and skills of our people to bridge the digital divide
- Diversity and inclusion, by fostering an inclusive culture and building a diverse workforce

Our Social Response Unit mobilizes our business to respond rapidly to address the world's most immediate crises, helping as many individuals and communities as possible. As we do this, we combine the power of the latest technology with our human energy, supporting the next generation of digital innovators and building an inclusive culture where everyone can be their true, authentic self. Our work supports 11 of the UN Sustainable Development Goals, and our social and environmental responsibility is embodied by our commitment at national, regional and global levels. Through this commitment, we'll help build the more inclusive and sustainable future we want and our planet needs. There has never a better time to leverage technology and human capabilities to tackle environmental, social, and governance challenges.

Dear FUEL,

We wish to place on records our deep and heart-felt appreciation for your efforts to bring a value-added Future Skill Training for our students.

The Future Skill training also helped students come from low-income families and from rural background to build a better career path and achieve a successful career in near future.

We look forward to continued association with your esteemed organization in future as well. We sincerely appreciate the efforts of team FUEL in enhancing the value and capabilities of the student community at large and building confidence in them that they can take every opportunity to develop a strong and growing career through Future Skills Training & Java Training. Our placements and employability of college has increased due to this initiative.

With kind regards and thanks,

Yours Sincerely,
