The Principal,
Someshwar Engineering College,
Someshwarnagar,

Sub: Permission for guest lecture.

Dear Sir,

With reference to above mentioned subject, Someshwar Engineering College is going to arrange guest lecture for final year students on the topic "Latest Trends in Manufacturing" will be delivered by **Mr. Chaudhar S.B.** who is working as a Production Manager in Piaggio Vehicles, Baramati. The purpose of guest lecture is to get interaction with the automation carried out in manufacturing industries. It also covers the content as a part of curriculum mentioned below.

Objectives:

1. To know about recent developed technologies in the automation domain.
2. To understand the technical comparison between various automotive vehicles.
3. To make familiar with the concept of optimization.

Outcomes:

1. Students will be able to get the brief knowledge of emerging technologies.
2. Students will be able to prepare best solution in automotive domain by comparison.

Kindly permit us to conduct the guest lecture.

Yours Faithfully,

Information of Guest lecture in brief- Students are emphasis over the content which is related to optimization. Lecture suggest the comparison in automotive engines especially their performance by taking some technical parameters into consideration. Top automotive industries gives primary value to quality to stand in automotive competitive market. Those automotive sectors step up their business very quickly, who have adopted emerging technologies with cost as a secondary parameter.

Value addition through Guest lecture - Besides the objectives, following additional technical information understood by students.

- Weight of engine is a parameter take into consideration for optimization

Capgemini Technology Services India Limited is a global leader in consulting, digital transformation, technology and engineering services. The Group is at the forefront of innovation to address the entire breadth of clients' opportunities in the evolving world of cloud, digital and platforms. As the contract between business and society changes, we're doing more to take on the biggest challenges facing society. By working with our clients, our people, and our partners, we're raising the bar in three key areas:

- Environmental sustainability, by driving sustainable thinking into our operations and the work we do with clients
- Digital inclusion, by using the passions and skills of our people to bridge the digital divide
- Diversity and inclusion, by fostering an inclusive culture and building a diverse workforce

Our Social Response Unit mobilizes our business to respond rapidly to address the world's most immediate crises, helping as many individuals and communities as possible. As we do this, we combine the power of the latest technology with our human energy, supporting the next generation of digital innovators and building an Inclusive culture where everyone can be their true, authentic self. Our work supports 11 of the UN Sustainable Development Goals, and our social and environmental responsibility is embodied by our commitment at national, regional and global levels. Through this commitment, we'll help build the more inclusive and sustainable future we want and our planet needs. There has never a better time to leverage technology and human capabilities to tackle environmental, social, and governance challenges.

Dear FUEL

We wish to place on records our deep and heart-felt appreciation for your efforts to bring a value-added Future Skill Training for our students.

The Future Skill training also helped students come from low-income families and from rural background to build a better career path and achieve a successful career in near future.

We look forward to continued association with your esteemed organization in future as well. We sincerely appreciate the efforts of team FUEL in enhancing the value and capabilities of the student community at large and building confidence in them that they can take every opportunity to develop a strong and growing career through Future Skills Training & Java Training. Our placements and employability of college has increased due to this initiative.

With kind regards and thanks,

Yours Sincerely,
