The institute has specific strategic plans which include:

- Strengthening the student development and campus facilities,
- Enhance the industry institute collaborations.
- Standardizing the ICT based teaching-learning processes.
- Improve internal support system.
- Strengthening alumni.

All the above strategic plans are monitored by the IQAC that meets often and decide on academic quality control issues. Apart from the above, the Institution's strategic plans critically examine the grooming of the students for rewarding with excellent future by meeting various challenges. The major thrust of the strategic plan is to achieve standardized improvement in the quality of technical education, as the Institution imparts in line with the Vision and Mission of the institution. It also aims to meet the expectations from all the stakeholders viz. Students, teachers, parents and employers to achieve improved levels of satisfaction.

Perspective Plan for development:

The Institution certainly has plans for its all round development and accordingly several perspective plans are designed viz. Improvement, up-gradation and refinement of the existing set up which is an unending process and the Institution will never lag behind this progression. The Institution has spacious campus which offers great potential for the development of further Infra-structure. The institution is planning to build a hostel building on the campus shortly for boys. Many such ambitious projects can be taken up for implementation in the days to come.

- To establish better academic practices and procedures.
- To be a choice for good quality students and competent faculty.
- To produce technically competent and ethically strong graduates.
- To encourage Research & consultancy.
- To develop a smart campus.
- To offering value added certificate programs.
- To organizing National/International Conferences.
