E-GOVERNANCE POLICY

Scop:-

The scope of this policy extends to the following areas:

- General Administration
- Student Admission
- Examination
- Accounts and Finance

Objectives:

- Implementation of E-governance in all functioning of the institution in order to provide simpler and efficient system of governance within the institution.
- To promote transparency and accountability in all the functions of the college.
- To provide easy and quick access to information.
- To make campus Wi-Fi enabled.

Policy:

The college will implement e-governance in all aspects of functioning like accounts, admissions, administration, teaching, etc.

The policy is designed and framed to make each and every function transparent and accountable.

The College decides to make the following policies and procedure:

Website: The website will act as an information center which will reflect about the college, all its activities, important notices, courses offered, etc. A website Committee to be formed for the administration of the college website. The Committee will look after the process of updating, maintaining and

working of the website on a regular basis. The Committee will also look for other changes that are required on the website. The College strives to showcase its vibrant self and activeness through its website. All the important notifications have to go live on the website as and when they are released.

Student Admission: An open and transparent strategy for the admission process is followed which is further strengthened by the ethical practices and regulations as opined by the Savitribai Phule Pune University. The College brings out its Brochure which is displayed on the website that has guidelines for the admission process. An Admission Portal to be used to manage the admissions in the college. Number of students applying to each course, withdrawals, fee submission, all to be managed through this Portal only.

Accounts: The office continues to maintain its account on Tally. Latest versions of the software to be purchased and used by the college. Profit and loss, Balance Sheet are generated through this software only. All the analysis reports are also generated through Tally. Appropriate security measures should be taken for maintaining confidentiality of the transactions.

Administration:

- Attendance Management Software to be used by Administrative Staff and Teaching Faculty to record and track Attendance, Monthly Reports.
- Students must be able to obtain maximum services in online mode.
- The college will look into opportunities to automate some of its functions related to administration.

Examination: The college has adopted an online system where students can view their total internal assessment marks at the end of each semester and can report discrepancies, if any. The Examination process is regulated by the University and thus e-governance policy of the University to be adopted in this regard.
