Someshwar Sahakari Sakhar Karkhana Limited, Someshwarnagar, Tal. Baramati, Dt. Pune, Maharashtra, India, in order to impart quality education in rural areas.

## ABOUT SPCOE&T

Sharadchandra Pawar College of Engineering and Technology (SPCOE&T) formerly known as Someshwar Engineering College, was established in the year 2012 with an intension of catering technical education in the rural area, under the leadership of Hon. Shri. Sharadchandra Pawar (Ex. Defense and Agriculture Minister, Govt. of India),

The SPCOE&T is affiliated to the Savitribai Phule Pune University, Pune. It offers AICTE approved courses leading to the degree of Bachelor of Engineering (BE) in four engineering streams namely Civil Engineering, Computer Engineering, Electrical Engineering and Mechanical Engineering.

Institute has signed MOU with Capgemini Digital Academy India and FUEL (Friend Union for Engineering Lives) for training the students to make them industry ready.

The College has highly qualified and experienced faculty on its roll. The laboratories and library facilities in all Departments are well developed. The College gives substantial emphasis on the teaching learning process. The College also provides unlimited broadband internet facility to the students. Besides national journals, the international journals are made available to the students and the faculty. This Institute is working to impart excellence driven engineering education that builds the future of Engineers and Entrepreneurs.
